P2.9 500x500mm Indoor Screen

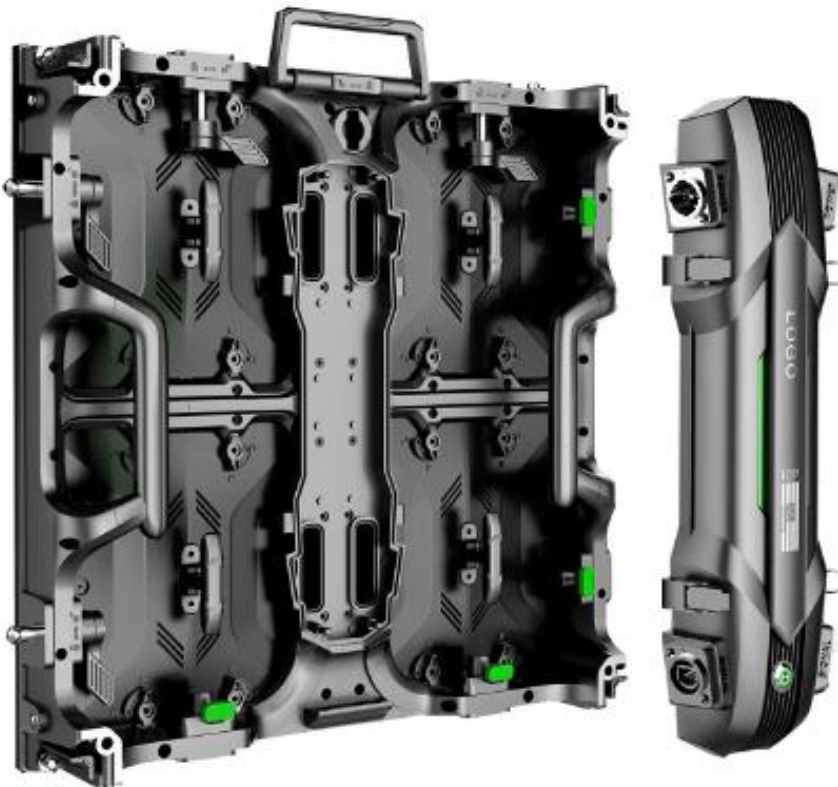

Specification

Indoor Rental led screen specification		
Pixel	2.97mm	3.91mm
LED Encapsulation	SMD1921	SMD2121
Brightness	1100nit	1100nit
Module Size(mm)	250x250	250x250/ 250x500
Cabinet Size	500x500x76	500x1000x76/500x500x76
Material	Die Casting Aluminum	Die Casting Aluminum
Scan Method	1/14 Scan	1/16 Scan
Weight	8Kg	12.5Kg/ 8Kg
Cabinet Resolution	84x168/84x84dots	256x128dots / 128x128dots
Pixel Density	112896Pixel/m²	65536 Pixel/m²
Refresh Frequency	≥1920Hz	
Viewing Angle	140/140	140/140
Working Voltage	110-220Volt/50/60hz	110-220Volt/50/60hz
IP waterproof	IP43	IP43
Optimal Viewing	≥ 2m	≥ 3m
Working Temperature	-20~45 °C	- 20~40°C

Product Features

HUB Board

- * Without wires connection, signal and power can transfer more stable and reliable.
- * HUB board connect modules and power supplies directly instead of wires.
- * Directly take out back cover, easy to change within 5 seconds.

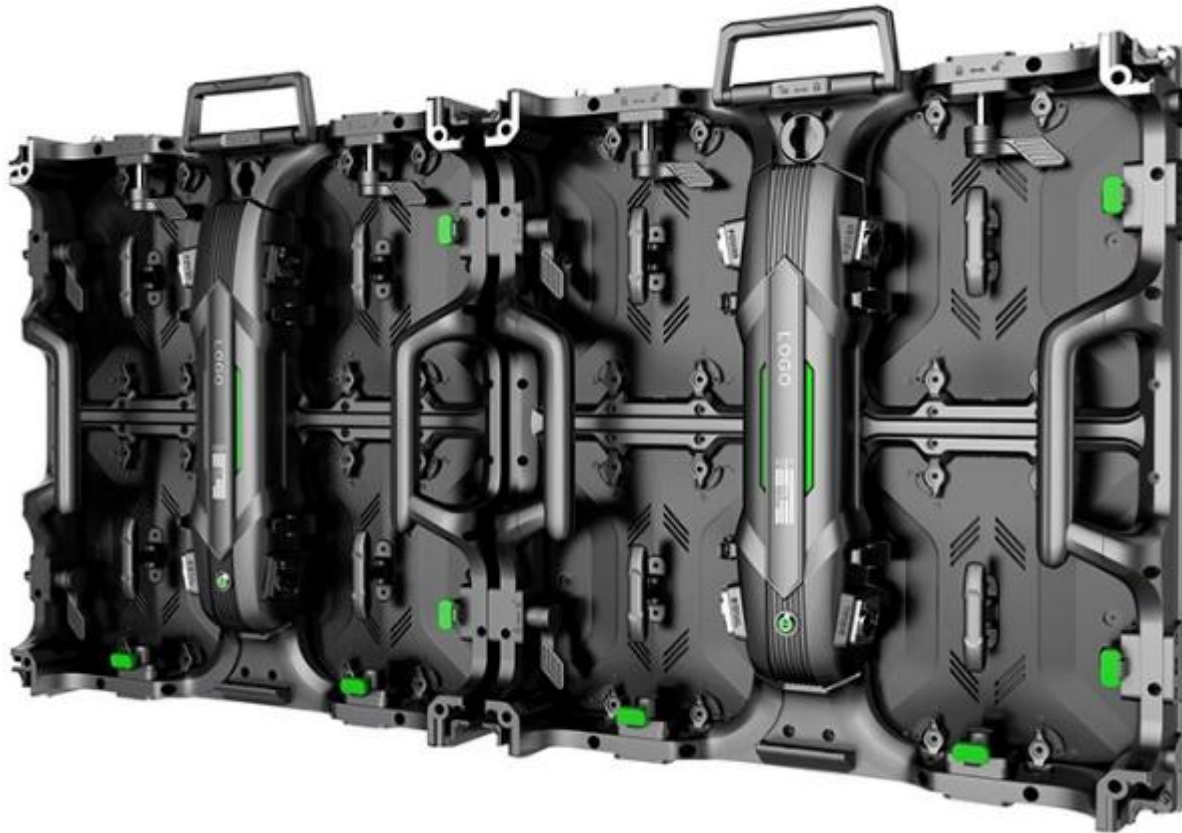

Product Features

Maintenance

- * Front and rear maintenance available.
- * Faster and easier to install and disassembly.
- * Magnetic suction installation, simple and quick maintenance for various installation environment, improve work efficiency.
- * Die casting aluminum panel.

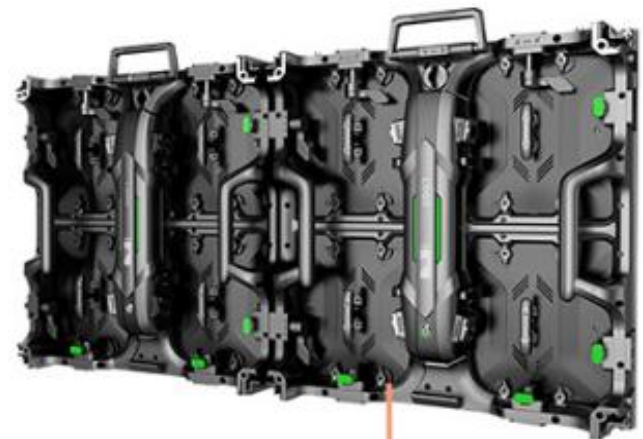

More Details

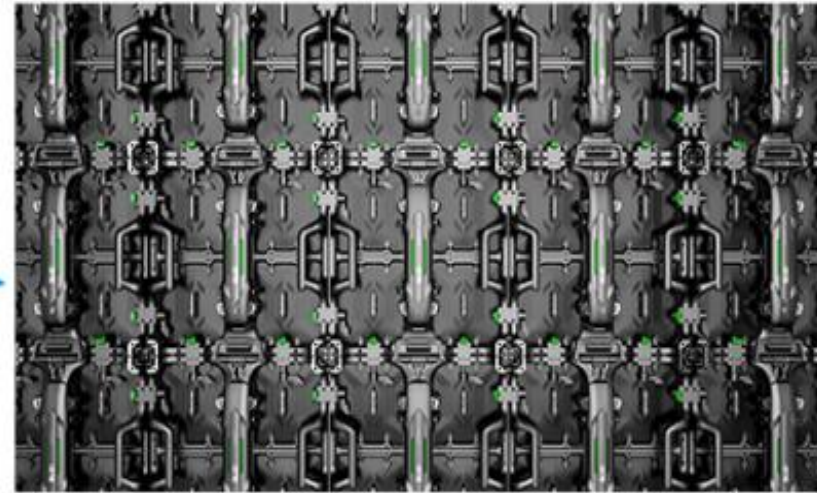

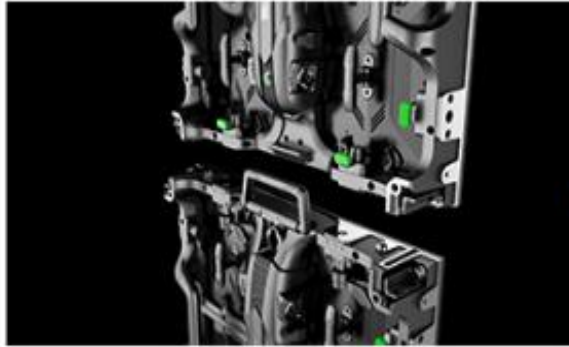

- * High degree of protection, high durability.
- * Common good, flexible and easy to use.

Seamless Splicing

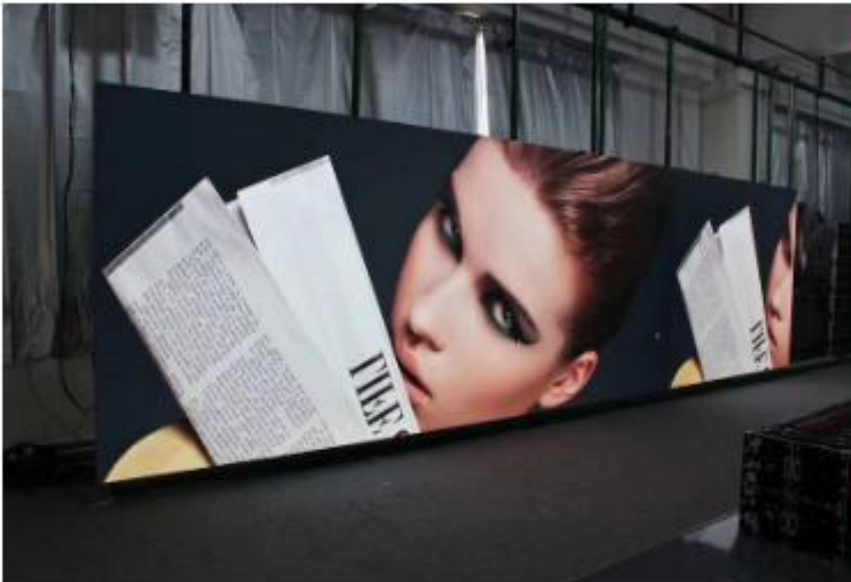

Seamless side locks

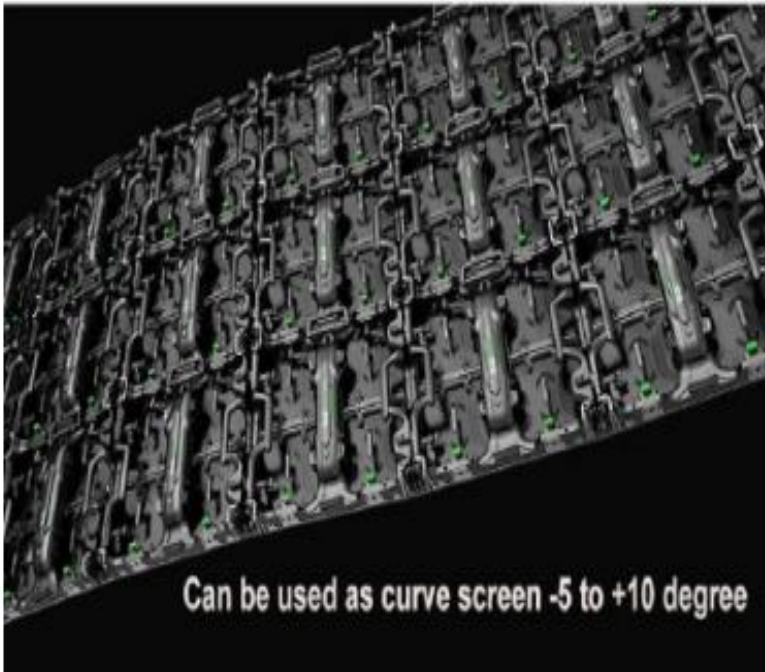

LED Display Test

Each product tested more than 72 hours before shipment.

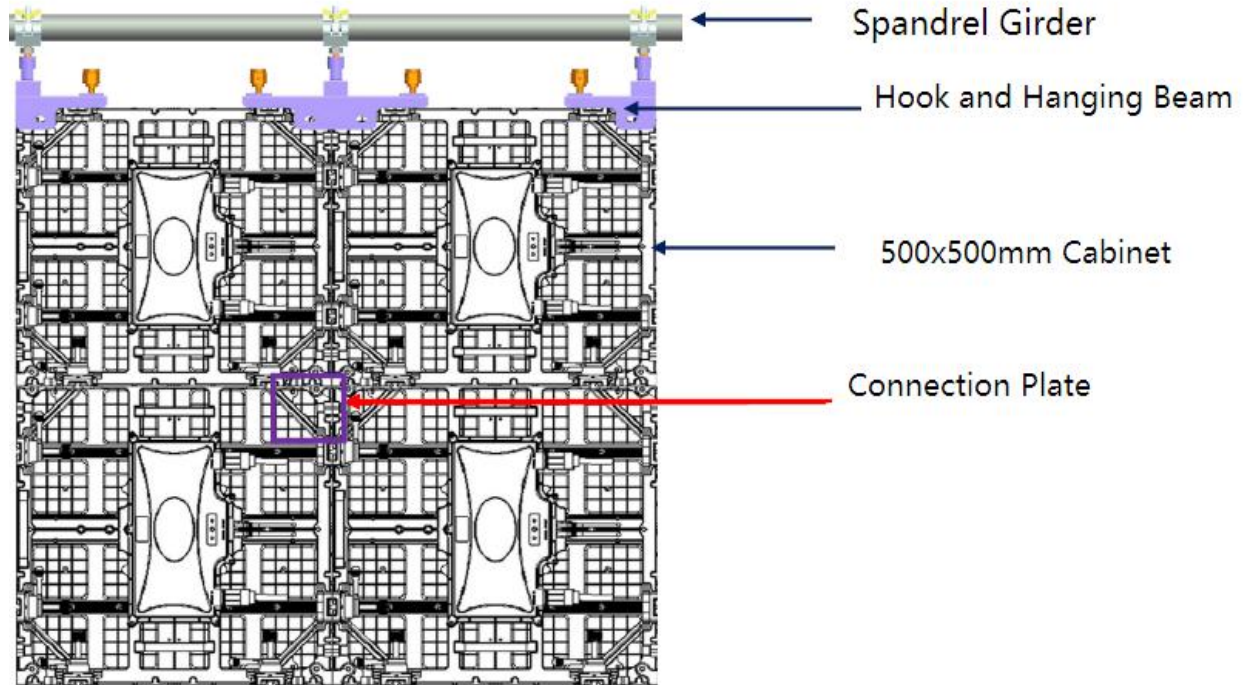

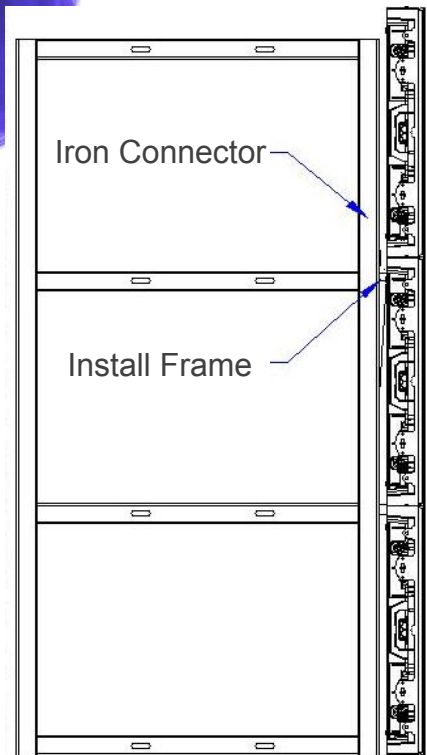

It can used as curved screen

It can used as curved screenCan be used as curve screen -5 to +10 degrees.

Assembly & Operation

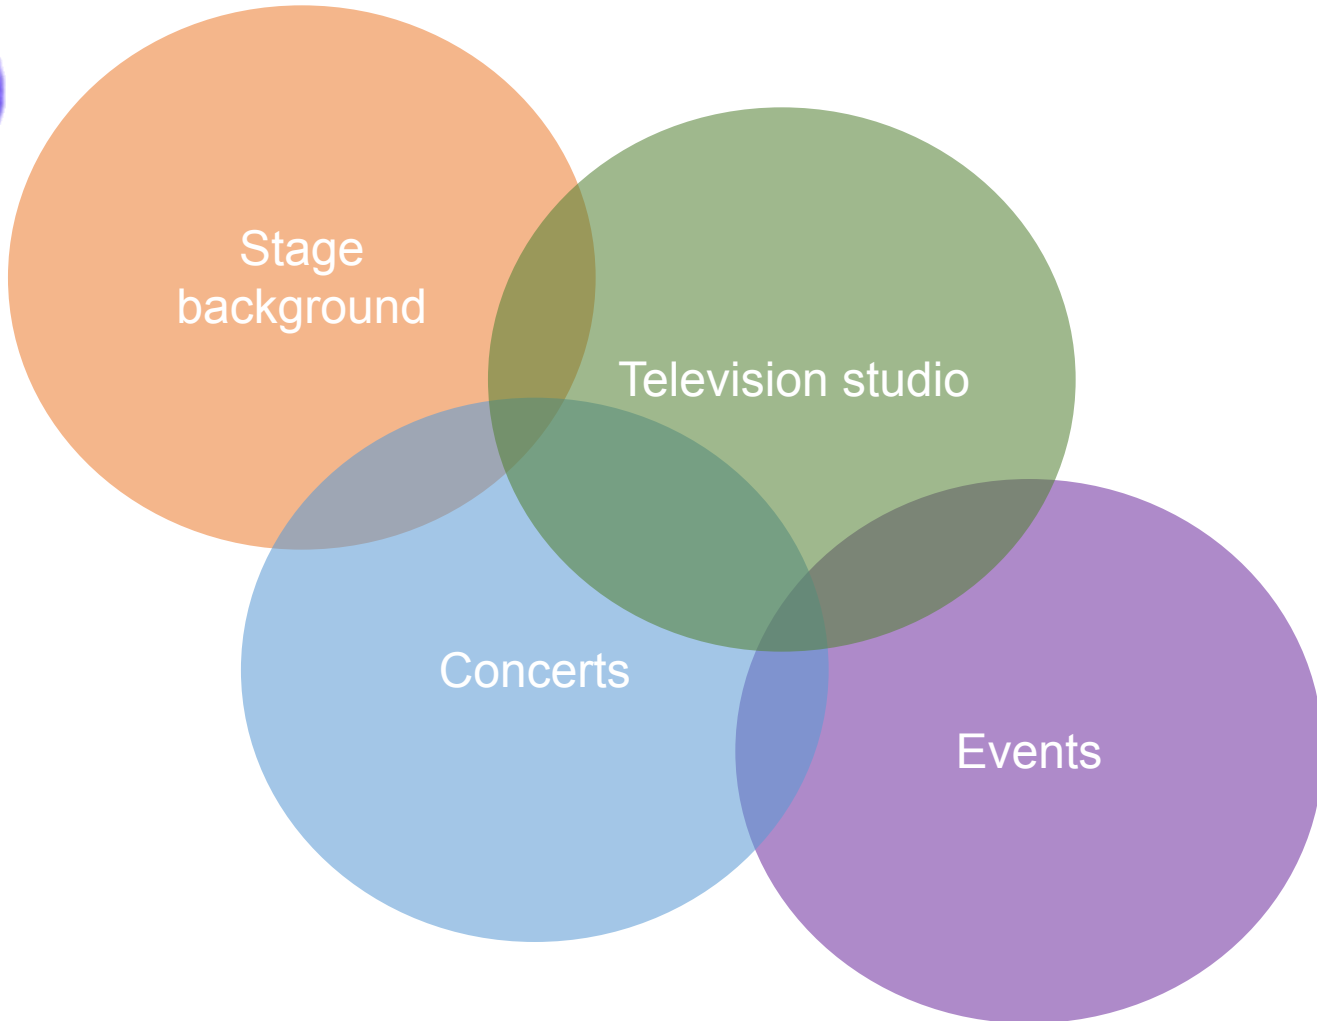

Ground standing and hanging Installation

Assembly Project Shows

Hanging and ground standing installation

Applications

Applications

•P2.9 Indoor LED screen 48 square meter in Indonesia

Applications

- P3.9 Indoor LED Screen 36 Square Meter In Indonesia

Applications

- P3.9 Indoor LED Screen 12 Square Meter In Indonesia

Applications

•P2.9 Indoor LED Screen 18 Square Meter In Indonesia

Applications

•P2.9 Indoor LED Screen 24 Square Meter In Malaysia

Applications

- P2.9 Indoor LED Screen 32 Square Meter In Malaysia

Thank You For Your Time.

Kingvisionled is looking forward to serve you.
